- ★ Equity
- ★ High expectations
- ★ High levels of engagement
- ★ Partnerships
- ★ Student voice & choice
- ★ Support for the whole child
- ★ Trusting relationships

TECHNOLOGY

2024-2025 GOALS

Goal #1: Goal Champion

Meet the evolving needs of our students by leveraging all available resources to provide high-quality programs, updated technology, learning environments, and services while maintaining fiscal responsibility as measured by the 2024-25 district scorecard targets (Goal 5.)

Goal #2:

By Spring 2025, internet connection from the Illinois Century Network (ICN) will be providing a faster connection to all buildings. This along with the new wireless network will give us the backbone to move towards a completely digital student experience and better prepare our students for the experience they will receive in High School and beyond.

Goal #3: Effective Leaders

By Spring 2025, the score on the *Effective Leaders* category of the 5 Essentials Survey will increase to a **score of 60** from a Spring 2024 score of 44.
